## The Presidents Corner

I am writing this article on the first full day of autumn, it's hard to believe another summer is gone and my term as president of this great club is almost over. I urge everyone to make the most of the fall flying season because winter will here before we know it.

I wish to thank Luther Farmer, Roy Applewhite and everyone who assisted in putting together this years *Wings over Brooklyn* war bird event. Unfortunately, the weather (98 degrees + 90% humidity + 60% chance of thunder storms) kept many people home. However, we did have enough planes to keep the spectators happy and those of us who did participate had a great time.

Additionally, on behalf of the entire club I wish to thank Lawrence and Mitchell Muntner for their generous contribution of several airplane kits. We will be using the kits as door prizes at our monthly meetings until they are all given away. This will save the club the door prize expense and provide an added incentive to come to our monthly meetings.

As we enter October, the club begins the decision making process that will affect us in 2006. The October 11th meeting will feature the third quarter Treasurers recap, official by-law submissions and nominations for officers. On November 8<sup>th</sup> we vote on the by-law changes and elect the 2006 Board of Directors. Additionally in November we begin scheduling events for 2006. Traditionally our December meeting is the club's holiday party, while the January meeting is focuses on the end of year Treasures Report as well as the 2006 budget presentation and approval process. **As members, we have the privilege and obligation to establish the club's agenda and select the individuals we empower to conduct the business of the club.** Please make every effort to attend these important meetings.

We will be visited by a local Boy Scout troop on Saturday October 1<sup>st</sup>, weather permitting. Please let me know if you would like to participate, I need your help to make this a memorable experience for the boys.

**Have a good month, hope to see you soon  
Mike Palumbo**
